JURISDICTION AND VENUE

4. The Court has jurisdiction over this matter pursuant to 28 U.S.C. § 1334. This is a core proceeding pursuant to 28 U.S.C. § 157(b). The Debtors confirm their consent, pursuant to rule 7008 of the Federal Rules of Bankruptcy Procedure (the “Bankruptcy Rules”), to the entry of a final order by the Court.

5. Venue is proper pursuant to 28 U.S.C. §§ 1408 and 1409.

6. The predicates for the relief requested herein are sections 105(a) of the Bankruptcy Code, Bankruptcy Rules 1015(b) and 6003, and rules 1015-1 and 9013-1 of the Bankruptcy Local Rules of the United States Bankruptcy Court for the Southern District of Texas (the “Bankruptcy Local Rules”).

BACKGROUND

7. On May 8, 2022 (the “Petition Date”), each Debtor filed a voluntary petition for relief under chapter 11 of the Bankruptcy Code commencing the above-captioned chapter 11 cases (the “Chapter 11 Cases”). The Debtors continue to operate their businesses and manage their properties as debtors in possession pursuant to sections 1107(a) and 1108 of the Bankruptcy Code. No request for the appointment of a trustee or examiner has been made in these Chapter 11 Cases, and no official committee has been appointed or designated.

8. The Debtors provide inspection, water treatment, and other environmental services that help their customers protect people, property, infrastructure, and the environment with a focus

on safety and sustainability. The Debtors' primary business, inspection services, provides essential environmental services, including inspection and integrity services on a variety of infrastructure assets such as midstream pipelines, oil and gas well gathering systems, natural gas plants, storage facilities, pumping stations, compression stations, and natural gas distribution systems. The Debtors' primary business includes visual inspection, non-destructive testing and examination, and in-line inspection support services, for pipeline and energy infrastructure owners and operators and natural gas public utilities that serve our communities. Under the environmental services segment, the Debtors own and operate water treatment facilities in North Dakota where they specialize in the treatment, recovery, separation, and disposal of waste byproducts generated by their customers during the lifecycle of an oil or natural gas well. The Debtors provide quality services in a safe, professional, ethical, and cost effective manner adding value to their clients throughout the life of their assets.

9. Additional factual background and information regarding the Debtors, including their business operations, their corporate and capital structure, the events leading to the commencement of these Chapter 11 Cases, and the emergency need for the relief requested in this Motion, are set forth in detail in the *Declaration of Peter C. Boylan III, Chairman & Chief Executive Officer of the Debtors, in Support of the Chapter 11 Petitions and First Day Pleadings* (the "First Day Declaration"),² filed contemporaneously herewith and incorporated herein by reference.

² Capitalized terms used but not otherwise defined herein have the meanings given to such terms in the First Day Declaration.

BASIS FOR RELIEF

10. Bankruptcy Rule 1015(b) provides, in pertinent part, that “[i]f . . . two or more petitions are pending in the same court by or against . . . a debtor and an affiliate, the court may order a joint administration of the estates.” Fed. R. Bankr. P. 1015(b). The Debtors in these cases are “affiliates” of each other as the term is defined in section 101(2) of the Bankruptcy Code³ and as used in Bankruptcy Rule 1015(b). Accordingly, the Bankruptcy Code and the Bankruptcy Rules authorize the Court to grant the relief requested herein.

11. Joint administration of these Chapter 11 Cases will provide significant administrative convenience without harming the substantive rights of any party in interest. Many of the motions, hearings, and orders in these Chapter 11 Cases will affect each Debtor entity. The entry of an order directing joint administration of these Chapter 11 Cases will reduce fees and costs by avoiding duplicative filings and objections. Joint administration also will allow the United States Trustee and all parties in interest to monitor these Chapter 11 Cases with greater ease and efficiency.

12. Joint administration will not adversely affect the Debtors’ respective constituencies because this Motion seeks only administrative, not substantive, consolidation of the Debtors’ estates. Parties in interest will not be harmed by the relief requested, but instead will benefit from the cost reductions associated with the joint administration of these Chapter 11 Cases. Accordingly, the Debtors respectfully submit that the joint administration of these Chapter 11 Cases is in the best interests of the Debtors’ estates, their creditors, and all other parties in interest and should be approved.

³ “Affiliate” is defined in the Bankruptcy Code as, among other things, a “corporation 20 percent or more of whose outstanding voting securities are directly or indirectly owned, controlled, or held with power to vote, by the debtor, or by an entity that directly or indirectly owns, controls, or holds the power to vote, 20 percent or more of the outstanding voting securities of the debtor. . . .” 11 U.S.C. § 101(2)(B).

EMERGENCY CONSIDERATION

13. The Debtors request emergency consideration of this Motion pursuant to Bankruptcy Rule 6003, which allows this Court to grant relief within the first twenty-one (21) days after the commencement of a chapter 11 case “to the extent that relief is necessary to avoid immediate and irreparable harm.” An immediate and orderly transition into chapter 11 is critical to the viability of the Debtors’ operations, and any delay in granting the relief requested could jeopardize the Debtors’ ability to restructure. The Debtors submit that they have satisfied the “immediate and irreparable harm” standard of Bankruptcy Rule 6003 and request that the Court approve the relief requested in this Motion on an emergency basis in order to preserve the ongoing value of the Debtors’ estates.

NOTICE

14. The Debtors will provide notice of this Motion to: (a) the Office of the United States Trustee for the Southern District of Texas; (b) the holders of the 30 largest unsecured claims against the Debtors (on a consolidated basis); (c) the Prepetition First Lien Lender and Prepetition First Lien Agent (each as defined in the DIP Motion);⁴ (d) the DIP Lender and DIP Agent (each as defined in the DIP Motion); (e) the Office of the United States Attorney for the Southern District of Texas; (f) the state attorneys general for states in which the Debtors conduct business; (g) the Internal Revenue Service; (h) the United States Securities and Exchange Commission; (i) the Environmental Protection Agency and similar state environmental agencies for states in which the Debtors conduct business; and (j) any party that has requested notice pursuant to Bankruptcy Rule

⁴ “DIP Motion” means the *Debtors’ Emergency Motion for the Entry of Interim and Final Orders (I) Authorizing the Debtors to (A) Obtain Senior Secured Superpriority Postpetition Financing and (B) Utilize Cash Collateral of the Prepetition First Lien Secured Parties, (II) Granting Adequate Protection to the Prepetition First Lien Secured Parties, (III) Modifying the Automatic Stay, (IV) Scheduling a Final Hearing, and (V) Granting Related Relief*, filed contemporaneously herewith.

2002. In view of the nature of the relief requested, the Debtors respectfully submit that no other or further notice need be provided.

[Remainder of Page Intentionally Left Blank]

The Debtors respectfully request entry of the Order, granting the relief requested in this Motion and such other and further relief as the Court deems appropriate under the circumstances.
